2018–2019 Breiðholts swimming pool, lifeguard

2017–2018 Dominos, service representative

2017 Útilífsskóli Árbúa, assistant principal

2015–2016 Útilífsskóli Árbúa

KNOWLEDGE:

Languages: Icelandic, English and Danish.

Computers: I am excellent at the Python programming language along with React & Next.js, I also have experience using .NET when doing backend work. I have taken three courses at RU in Python, two web programming courses and also database management. I am quick on learning new programs and programming languages. I am also handy with Word, PowerPoint and Excel. I have also finished a course in RU in designing and producing software.

Operating systems: iOS, Windows and Linux.

INTEREST AND PERSONALITY:

I am interested in many things. I am interested in programming, history and also skiing and football. Computers are my main interest. I enjoy using my free time to meet up with friends and exercising. I am patient, organized, always on time, understanding and generally polite. I have been a part of the Scout movement in Iceland since 2009 and also finished a Dale Carnegie course. I have also finished many first aid courses along with many other courses that are related to the life guard job.

RECOMMENDATION:
